

World 100 Club Annual Meeting Nov. 6 – 10th, 2024 Hilton Head Island, South Carolina

Captain Lach Hough led the West to its first Riley Plate victory since 2018. The first day of play saw significant rain and only three groups finished (not counting the women's groups who all finished their rounds). The West extended the lead at Heron Point and withstood a strong East showing at Harbour Town to retake the plate. Steve Sterrett and Jeff Stein were low gross on Saturday's round. The MVP jugs went to newcomer Bob Murphy and Adam Anthony. Hank Wolf won his fourth Quaich Cup. The East women won the coveted Dixie Cup with Jane Dennis winning low gross and low net.
